DETAILED ACTION

1. Applicant has amended claims 1 and 13 and canceled claims 6, 9 in the amendment filed on 6/11/2008.

Claims 1-5, 7, 8, 10-13 are pending in this office action.

Response to Arguments

2. Applicant's arguments with respect to claims 1-5, 7, 8, 10-13 have been considered but are moot in view of the new ground(s) of rejection.

Claim Objections

3. Claim 1 is objected to because of the following informalities: The term "the ownership of an account" in claim 1, line 1 should be written as "a ownership of an account". The term "the integrity of the relationship" in claim 1, line 10 should be written as "a integrity of the relationship". Appropriate correction is required.

Claim Rejections - 35 USC § 112

4. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

5. Claims 1-5, 7, 8, 10-13 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains

Art Unit: 2169

subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention.

The limitation “assign a negative weight for a particular series of unsuccessful transactions by an identity associated with said account that exceeds a sum of individual negative weights of unsuccessful transactions that make up the particular series of unsuccessful transactions by said identify associated with said account” in claim 1, was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor.

The limitation “assigning a negative weight for a particular series of unsuccessful confirmations of the relationships between said user identify with said account that is greater than a sum of individual negative weights of unsuccessful confirmations of the relationships that make up the particular series of unsuccessful confirmations of the relationships between said user identity with said account” in claim 13 was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor.
